## ***CODID PROTOCOLS FOR THE WCHL ARENAS:***

It seems that every arena, has something different, whether it's an online declaration or how early you can be at their facility, or if you can use their showers or not.

Below we have tried to make a note, of those different points.

Get familiar with them. Let us know if we need add more info.

This information will be available to all players, from the **Manager/Referee/Timekeeper** drop down menu on our site, along with the latest **LEAGUE NEWS** drop down menu.

These are the Arenas that we are currently using. There may be a couple of others that could be added at a later time.

7 Oaks Sportsplex, East End, Glenwood CC, Maples, River Heights, Winnipeg Winter Club, Notre Dame, West Kildnan.

City of Winnipeg: Bertrand, Charlie Gardner (Pioneer) Sam Southern, Sargent Park.

- Wear a mask in all buildings arriving and leaving.
- If you cannot physically distance, you must wear a mask.
- Sick players must stay home.
- Each player should bring own water bottle, filled if possible.
- Most places won't allow entry until 30 min prior to event, and team will need to leave within 30 min of ice time completion.
- Showers will be available in most arenas.
- Some arenas will vary, on the amount of players per dressing rooms, but sounds like an evolving situation. We will all have to be flexible, and from our discussion with different teams and other Leagues, it will a learning process.

- MB HEALTH.

**THE FOLLOWING ARENAS HAVE ONLINE DECLARATION FORMS (FILLED THE DAY OF EVENT. Download app on your phones if possible**

- **RIVER HEIGHTS ARENA.**  
Will allow players in dressing rooms **30 min** prior to event, **30 min** after. They will also provide **two (2) rooms per team** at every game. Probably only arena in the City to do so.
- NOTE: input NA for parent guardian on form.

Please show **RESPECT** to all arena staff. Thanks to them, we can resume playing our sport, in a safe environment. Of course this also included the **Referees, Timekeepers and the other team.**

Patience with everything is a must, and according to what we have noticed so far, a lot of these arena's, have been very pro-active with their protocols, and most of them have figured it out, and shown good responsibility to the public.

Yours in Hockey
